

HSG Provider Market Share™

Identify and Optimize Top Providers in Your Network for Growth

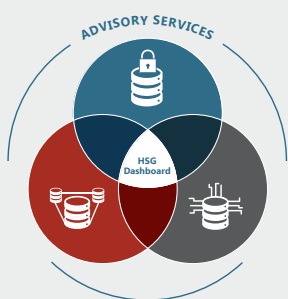

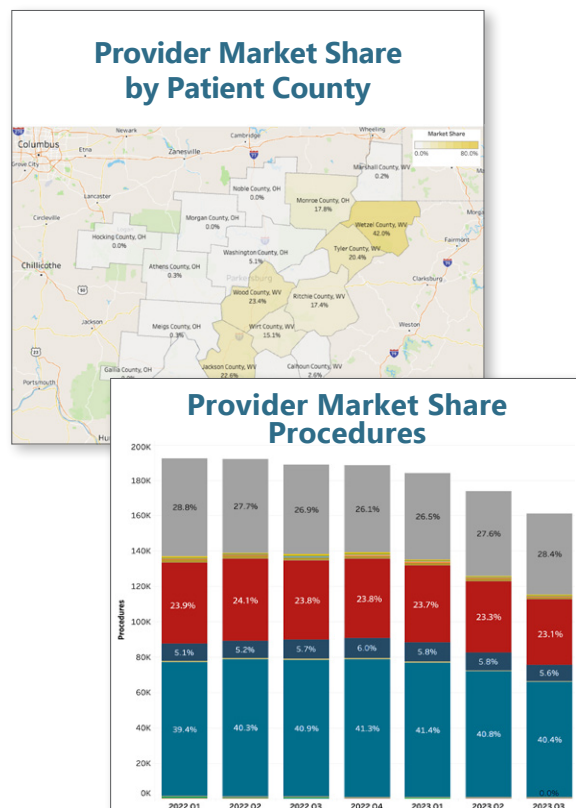

Evaluate specialty-level market share by provider specialty for all outpatient, ambulatory and provider office care delivery, trended over time for all specialties and markets

Strategic Advantages

- Measure your health system's overall Physician and Advanced Practice Provider market share by specialty group, specialist, and subspecialist by geographic area
- Identify top providers and practices, by specialty, that are servicing specific patients within your service area
- Monitor alignment of employed or independent specialists with your health system

Examples of Data Insights

- Outpatient share volume based on unique patient or service volumes for individual providers
- Utilization of HSG's Proprietary claims-based specialty designation of providers (Provider specialties are based on actual procedures billed to increase accuracy of specialist categorization in your market.)
- Customized report development and data extraction available directly within HSG Dashboard

Analytical Deliverables

Reporting frequency: Quarterly

Data sets utilized: HSG's Proprietary All-Payer Claims Database
